

Dear Parent\Caregiver

It is with great pleasure that I welcome you to our school and invite you to complete the Enrolment Pack Application Form to enrol your child with us for 2020 and beyond.

As you are aware, our school began a new phase in 2019, as we worked with our first Year 10 cohort. We move to being a comprehensive Years 7 to 12 school by 2021. This year, we became a local intake school for Years 7 and 10 students. By 2021 when our first Year 10 students are in Year 12, we will have students in each year group from our local intake schools.

In this package, you will find some handbooks about our school and the Enrolment Pack Application and Form which needs to be completed and returned to Champion Bay Senior High School by **Friday, 26 July 2019.**

1. **Enrolment Pack Application Form** (yellow booklet) - complete and return to Champion Bay Senior High School, 90 Highbury Street, Geraldton by **Friday, 26 July 2019.**

This enrolment pack contains all of the important information relevant to your child, the names of Emergency contacts and parent details. It also contains consent forms for parents to sign related to media and viewing consent, network and internet access, local and aquatic excursions and Connect for parents and permission for information about your child to be transferred from their previous school.

It is important that you let us know of any health issues that your child has by completing the Student Health Care Summary in the enrolment pack. Supporting information of a disability or diagnosed learning difficulty also needs to be provided at the time of enrolment. **Do not** rely on the previous school providing the necessary information as this information is sometimes not transferred.

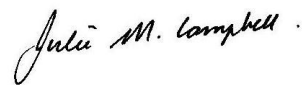

It is **very important** that you complete these accurately as they are linked to the funding that we will receive for our students in 2020.

The list of documents you must provide to us when we enrol your child is also outlined.

2. **Champion Bay Senior High School Curriculum Information Handbook** which you keep and read.
3. **Champion Bay Senior High School Year 7 Curriculum Handbook** which you keep and read.
4. If you are **NOT enrolling your child** at Champion Bay Senior High School for 2020, please complete and return the form provided.

This year we will provide information about how to apply for our Approved Specialist program in STEM. This **selective** program will commence in 2020 with the first year 7 intake. Approved Specialist Programs give children real world skills and a head start in reaching career goals. Look for the Expression of Interest in the enrolment package to register your child's interest.

If you would like further information about our school or would like organise a tour of our facilities, please contact us on 9965 8300.

A handwritten signature in black ink that reads "Julie M. Campbell". The signature is written in a cursive style with a small dot at the end.

Julie Campbell
