

CHAMPION BAY

SENIOR HIGH SCHOOL

ENLIGHTEN

Principal News

Mrs Julie Campbell Principal

CHAMPION BAY

Our vision for 2019 and beyond: **John Willcock College empowers students to choose positive pathways.**

Priorities Business Plan 2018-2020

- Attendance
- Writing across the curriculum
- Community Partnerships and Pathways

What a difference 12 months makes!

Starting the cafeteria (Nov. 2017)

In front of the Admin and cafeteria (Nov. 2018)

From left to right: Asha wears the Years 7-9 uniform, Lily wears the Years 10-12 uniform and Gage is wearing the school jacket.

If you have a student enrolled at John Willcock College on 13 December 2018 and that student is in Year 7,8 or 9 (in 2018), then you will be able to collect your uniform voucher from the Administration office before 14 December 2018 or from Tuesday 29 January 2019.

All uniforms can be collected from Total Uniforms (2 Jensen Street – near NWC Highway) after 2 January 2019. We cannot stress enough the value of these vouchers as they are the equivalent of a purchase order and parents are asked to keep them in a safe place as there will be no replacement of these.

All students will need to be in Champion Bay Senior High School uniform for Day 1 of 2019.

School Organisation

In a bid to create a more senior school focus to our school organisation, we will move to a Learning Teams framework next year.

The structure of the organisation will be:

3 Year 7/8 Learning Teams – led by Mr Ronan Croft

Mrs Jayme Overstone Mr Fred Pritchard

2 Year 9 Learning Teams - led by Ms Rebecca Bright

Mr Derek Goforth

1 Year 10 Coordinator Mr Tim Collier

Expression of interest meetings were conducted by Waneen Bennett and Neil Wyatt during Week 8.

All staff and students will belong to one of four factions for competition. We will attempt to group families together in the same faction. A Faction Coordinator will be appointed once these factions have been named. This person will be responsible for disseminating information to staff and students and ensuring places are filled on race days!

According to our last survey, the faction names will be based on the names of Champion Bay beaches.

Champion Bay Senior High School P&C

In September 2018, at a General Meeting of the John Willcock College and Geraldton Senior College Combined P&C a motion was passed to change the registration of that body to the Geraldton Senior High School P&C from 1 January 2019. It was decided that Champion Bay Senior High School would create a new P&C from 1 January 2019.

On Tuesday 9 October, a meeting was held to determine if there were enough parents and community members to create a new P&C for CBSHS. There were and it was decided at that meeting to hold a first P&C meeting on Wednesday 21 October to create the motions required to register the group with Western Australian Council of State School Organisations (WACSSO).

There were new faces attending and the following officers were elected:

President: Justin Mallard Vice President: Julie Gourley Secretary: Mandy Fry

Treasurer: Christine Freegard

Executive Members: Jo-anne Breen, Helen Quinn, Leonie Trenaman, Kate Parke, Emma Streich

A major issue for discussion has been the provision of a P&C conducted cafeteria.

As the Combined P&C is the employer of all canteen staff at both sites and not the school, this has had impact on the canteen staff at John Willcock College.

After seeking legal advice and information from WACSSO, it is clear that this new P&C is not in a position financially to take over the running of the canteen. P&C Associations are not able to trade if they are not financial – that is, they may only purchase stock equivalent to cash reserves. At present, this beginning association has only the membership fees of the 23 members being held. The body does not yet have a bank account, is not registered for GST and general tax purposes and remains unincorporated until the registration process is complete.

The school has made a decision to lease the premises to a third party who will pay to use the premises. They will provide a service to the students and staff at the school and will use the premises to conduct their business after their obligations to the school are discharged daily. The lease payments will be transferred to the P&C to allow them to get up and running financially.

At a meeting held on Thursday 6 December, the new P&C has identified a number of fund raising initiatives to commence in the New Year. They are looking at funding an adventure playground as a major long term goal. This will be of enormous benefit to our students!

The P&C will be meeting on Tuesday 19 February at 6:30pm in the Staffroom at the school – please come and join us!

Special Events

Visit by Deputy Director General Stephen Baxter

Deputy Director General Stephen Baxter visited the school on Friday 30 November. He is most well-known to us as our former Regional Executive Director and he knows the school context well. He was most ably shown around by student councillors Brooke Martin and Jack Garland. The tour included the Administration space, cafeteria, Music and Dance Centre and the Technologies space. As is the practice, fences around the Admin had miraculously disappeared overnight on Thursday to allow for an uninterrupted view of the space between the new buildings, which looks very open and modern. His visit also allowed the APs and I to speak with him in the Conference Room, where I sought some clarification around the title of the STEM program. In the Minister's original statement, it was said the new school would have a specialist program. Mr Baxter confirmed that this would be an Approved Specialist Program beginning in 2020 - with student selections taking place in 2019. The funding for a Program Coordinator would commence in 2019 and run for three years. This is an enormous boost to CBSHS.

Celebration Assembly Thursday 6 December held at Sun City Christian Centre

In an attempt to create a new precedent, we undertook a trial idea, having a split assembly for Semester 2. The Year 7/8 had the first assembly in blocks 1 and 2 followed by the Presentation Assembly for Year 9 in Blocks 3 and 4.

The reasons for trialling this model has been brought about by the fact that we do not have a venue at school that is large enough to seat the whole school. It is inappropriate for students to have to sit on the wooden floor for 2 hours, especially as we move into senior school.

The venue we used was the Sun City Christian Centre main auditorium that has fixed seating and great sound. There is parking for parents and it is a short stroll from the school.

Although there were some small issues we had not considered, the trial was an overwhelming success. Students were unanimous in their approval of the seating and the sound. Overall, the assembly was professionally presented and fitted with the notion of older students.

We will be investigating further use of this space in 2019.

School Development Day focus 2019

Day 1 to be held on Thursday 31 January 2019. The AIEOs along with Helen Bell have taken this day in hand. After a discussion with Principal Consultant Kevin O'Keefe on Day 1 of this term, they have planned workshops to increase the capacity of teachers to explicitly use their knowledge of the history, culture and experiences of Aboriginal people within classroom practice (Focus 2019 – High Quality Teaching).

At this stage, Day 2 will work around team building within the new learning teams and curriculum.

Year 6 Transition

This program was held over 3 days from the 19-21 November and was a huge success. Feedback from the students has been awesome. Students were treated to a 'taster' of all learning areas and some fun with the Student Services Team.

We invited all parents to start Monday morning with a 'beveridge and muffin' available from the cafeteria. We conducted a Parent Information evening on Monday 19 November in the Dance Studio and had a strong attendance of new parents. Speakers were from all Learning Areas, Student Services, Library and Admin. On Wednesday morning we held a Parent Morning tea in the cafeteria followed by a tour taken by Danielle Wilton. On Wednesday evening we held the first Champion Bay SHS P&C and passed the motions necessary to commence registration with WACSSO. There were a number of new parents attending and this was great to see.

Year 10 Transition

This day was held on Monday 19 October in conjunction with the Orientation day held at GSC for Year 10 students. We tried a new format for this day, using the day as a series of information sessions for senior students. Very successfully undertaken was the 'CBSHS Big Ideas' session that aimed to find out what students really think about a number of issues.

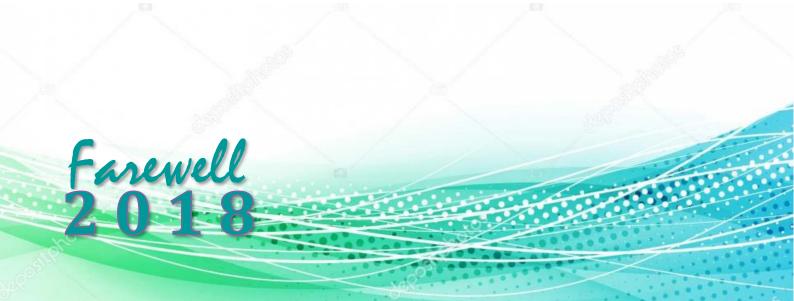

Feedback from both programs is appended to this report.

Attendance

Given the data appended to this report, it is particularly pleasing that across 2 of our 3 targets for 2018, we are in front of the targets. i.e. unexplained absences and regular attendance! Our overall attendance rate has slipped just below the target, as it has for the past few years. Strategies in place to address this include an ongoing focus on all Form teachers calling home to see where students are and explicit teaching of attendance figures in Form classes.

STEM - Lego League

Once again, the College team has performed significantly well in this competition. STEM Coordinator Hollie Roberts described the performance of the team as really solid and this performance was enhanced by the introduction of Robotics as an option in 2018. Apart from a glitch in the table setting that prevented an even surface for robots to perform on, the team finished well in the rankings and this is commendable when it is considered that the oldest students in the team are still one year younger than most of the members of the other teams. We will keep most of this team as Year 10 students, so we look forward to 2019.

Carpark update

This system has been in place for over one year now and seems to be working well. The bus zone is very successful.

JUST A REMINDER -there are a couple of 'ground' rules that go with the parent pick up area:

- 1. In the 'Drive and Drop' zone, pull up as far as possible
- 2. One lane of cars only
- 3. ALWAYS look before pulling into the traffic

<u>Under no circumstances are students to run between cars to meet you.</u>

<u>Please follow instructions given to reduce the disruptions for everyone.</u>

<u>If you can pick up in the afternoon after 3:15 pm – this would be helpful.</u>

The traffic was hectic during Wednesday of Week 7 due to having nearly 150 extra students on site – as well as our normal cohort of Years 7, 8, 9. We expect delays during Week 1 of 2019 as families explore different options for getting their students to school. Police assistance was requested last week and we will be approaching Main Roads for the start of next year.

Key dates for Term 4:

Thurs 13 Dec Last day of Term for students

Fri 14 Dec School closes

2019

Wed 2 Jan CBSHS uniforms available from Total Uniforms

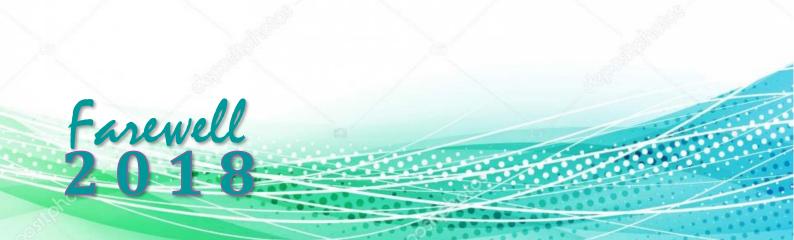

Tues 29 Jan School Officers return
 Tues 29 Jan Admin team returns
 Thurs 31 Jan Teachers/EAs return
 Mon 4 Feb Students commence

2019 School Development Days

The 2019 School Development Days (pupil free) have been decided as:

- 31 Ian
- 1 Feb
- 22 Mar
- 22 July
- 14 Oct
- 20 Dec

Julie Campbell Principal

Year 7 News

Mrs Waneen Bennett Associate Principal Year 7

As the end of the year fast approaches, it is time to reflect on the successful and rather busy year 2018 has been.

It has been an absolute privilege witnessing our Year 7 students settle in well to high school life. With the guidance of our caring staff, Year 7 students continue to mature and develop academically, socially and emotionally. I am extremely proud of our students, particularly the Year 7 students, who have endeavoured to uphold the three John Willcock College core values throughout the year of RESPECT, ASPIRE and RESILIENCE.

It has been a pleasure working with the Year 7 students; getting to know them and watching them grow into unique and special young teenagers. The highlight of my year was the regular visits to my office by students who had worked well during their lessons and were proud to share their work with me. For many this was a time to develop their confidence and receive much deserved positive feedback. For me it was a time to interact one-on-one with students, view some outstanding work and even a chance to be taught by the students themselves.

I would like to wish all students and their families a wonderful Christmas break and best wishes for the New Year. May 2019 be a prosperous year for all.

Farewell 2018

Year 8 News

Mr Phil Pound Associate Principal Year 8

Welcome to the last newsletter for 2018 and for John Willcock College.

Year 8

It has been a busy year and students have had so many opportunities to excel with their school life at John Willcock College. We hope they have made great progress and they are focussed on seeking a pathway that excels for their future career and life journey. I have enjoyed reading so many positive reports as we finish the year. I wish everyone a safe and happy Christmas break and look forward to seeing even greater success next year as we become Champion Bay SHS.

iPads

We hope your child has made the best use of the iPad this year and that there are no missing items as we wrap up the year. It is great that so little damage occurs for so many students, saving families from unpleasant news. We will be rotating a third of the fleet over the break with newer iPads and students will once again have access to a huge range of educational opportunities using these and other IT devices. Thank you for your support and vigilance with these this year.

Cybersafety

This is always a concern as we hit the Christmas break as students gravitate towards being online as much as possible. While we block social media and inappropriate content at school, it is clear that student have open access on their phones and other devices elsewhere, which can cause issues that then overflow into school as students come face to face with others. Please encourage your child to be a responsible digital citizen and take the online world just as seriously as the real world. If you have issues or problems with cyberbullying it is always advised to report that to the authorities. Do not delete offensive or threatening information. The Police is one option. We remind you of the website set up by the government to deal with such matters and assist you with your approach to such things on the home front. https://esafety.gov.au/

Abrolhos News

Abrolhos End of Year Celebration and Term 4 Wrap-up

It has been a fast-paced and enjoyable year for many staff and students. So many events to participate in in and around our school community have made it a fun-packed year.

As sub school leader for Abrolhos, I would like to thank the Abrolhos staff for their continued efforts to provide learning opportunities that engaged our students. The year has presented its challenges but with the support of our fantastic staff and students, we were all able to overcome whatever obstacles were in our way. We have a great team spirit and we are all very grateful for everyone who joined in and gave it their best. It has been a pleasure to work with such wonderful staff who have provided great support and interest in the Abrolhos sub school. You have made 2018 a fantastic year!

I would like to acknowledge our team for 2018:

Miss Clarke: for all your energy and excitement you bring to any event or occasion. Your humour and passion have been highly appreciated and we thank you for your brilliant class parties and that extra time you give to every student to ensure they are aspiring to be their best. Thank you, Miss Clarke.

Ma Tagive: for all the peace and joy you bring to a team environment and for trying your very hardest to endure the dance-offs held in your class with the year 7 students – this is no easy task to manage and your patience is admired. Your humour and compassion you provide to all students has been appreciated. Thank you, Mr Tagive.

Mr Iseffic: for all the effort you put in to ensure all students are aspiring to do their best. Your willingness to participate in events and join in with the students are appreciated by all. Your sense of organisation and follow-up has ensured smooth running of the sub school. Thank you, Mr Iseppi.

Mr Breman: for your patience and kind nature towards all staff and students. Your willingness to get among the students and participate at their level has created positive relationships with your Form class. Your sense of humour is always welcomed in the morning!

Mrs Davies: for your continued effort to raise and keep the standards and expectations for all students. Your kindness and compassion for all students has ensured the best of care for all students. Thank you, Mrs Davies.

Miss Clarke: for all your energy and excitement you bring to any event or occasion. Your humour and passion have been highly appreciated and we thank you for your brilliant class parties and that extra time you give to every student to ensure they are aspiring to be their best. Thank you, Miss Clarke.

Mrs Sullivan: for your continued efforts to engage and challenge our students in the classroom and in extra school activities. Your ability, to what seems to be, in many places at one time is a credit to your skills. You give beyond what any staff must give and the students have benefited greatly from your efforts. Thank you, Mrs Sullivan.

Mr Maloney: for your sense of humour and sincerity. Your sense of calm and peace has benefited the students and your efforts to maintain standards and expectations are a credit to yourself. It has been a pleasure to work with you. Thank you, Mr Maloney.

Ms Smith: for your giving nature and time. Without fail you have been someone to count on within the sub school whether it be for staff or students. Your compassion for all students is admired. Thank you, Ms Smith.

Ms Amplet: for your continued hard work and persistence to strive for the best for our students. Your persistence to provide opportunities to students to engage in school has been appreciated. Thank you, Ms Amphlet.

Ms Chadwick: for your continued hard work and persistence to strive for the best for our students. Your time, warmth and energy has been greatly appreciated. Thank you, Ms Chadwick.

We concluded the year by taking our staff and students to the Aquarena where we received much praise for our manners and respect that was shown to the staff and facilities. We are proud of this achievement. The day was spent having fun in the water and enjoying each other's company.

Last...but not least...I would like to acknowledge the wonderful students who have given their best, overcome challenges, participated in school events, or simply shared their kindness and positive spirit with us all this year. You are what brings us all together as a community and we cannot thank you enough for all the good times we have had in 2018.

We say goodbye for 2018 to all of our students, a kind farewell and best of luck to some year 9 students who are crossing over to another campus. We wish all students and families a safe and enjoyable summer break and look forward to meeting again as Champion Bay Senior High School in 2019.

Ms Relecca Bright
Abrolhos Sub School Leader

Farewell ABROLHOS

Batavia News

Thankyou:

It has been a great year in Batavia with the majority of the students across all year groups doing the right thing and representing yellow with pride.

We have had representation in a number of extra-curricular activities around John Willcock including the SHINE program, SHINE camps, Literacy workshops, Clontarf Football Academy, Country Week, ASDAN, various sporting lightning carnivals and a range of musical programs. We are very proud of our Batavia students as they show all the qualities and values that JWC stand for. I would also like to thank our Student Leaders Sarayah McDonald and Head Boy Gage Conley. Your leadership makes you such positive role models for the younger members of Batavia.

Celebration Day:

Monday the 10th marked the Celebration Day for the Batavia Sub School.

The criteria to attend was:

- Attendance for the year
- Worth ethic in class
- Following school values and displaying them throughout the school

We went to the Geraldton Aquarena for the day, hiring the outside pool with equipment, the BIFF and volleyball area. The staff put on a BBQ for all the students to enjoy.

It was a fun day for staff and students to wind down, reminisce and enjoy the times they have had this year.

Attendance:

As we move to the end of the year we have found a number of 'unexplained' absences. Please check your child's diary or better yet call us to check any outstanding absences and notify us of the reason/s for absence. Notes are sent home and all that is required is a reason written down and a signature from the guardian.

We asked even though reporting is done, that students still come to school every day, prepared with the correct equipment and ready to learn. Work out-put is still expected this late in Term 4.

Happy Holidays

Finally, on behalf of the Batavia staff I would like to thank everyone involved in getting their students to school, letting the school know about absences and providing their students with the correct equipment. We hope that you all have a wonderful break and look forward to seeing and hearing from you next year! GO BATAVIA!

Chapman News

It has been a great year in Batavia with the majority of the students across all year groups doing the right So much has happened over the past four years since Chapman Sub School has reopened at John Willcock College. 2018 has been packed with a lot of fun activities and events.

To begin the exciting year, Term 1 started off with the Year 7's, 8's and 9's going to the Sun City Christian Centre for a day of fun. The day was full of team work, games and activities such as Jenga, air hockey and much more. The exciting day was also filled with having tasty treats like custard tarts, snacks and delicious drinks.

To end the first term of 2018, the Swimming Carnival was held. With the day jam packed, full of head to head races and fun, exciting team work games. Unfortunately, Chapman did not make it into first place, but we had a great time with all staff and students.

Throughout the year, Chapman Sub School hosted rewards for the students who got 100% attendance every week. During the colder months the students were rewarded with warm and tasty hot milos, for the hotter months, delicious icy poles were given out.

Term 3 and 4 introduced the students of JWC with their first ever inflatable carnival for the students who achieved Student of the Week. The day was filled with fun and challenging obstacle courses and fun extra activities. Students had to be nominated 7 or more times in the term to attend this amazing event.

Term 4 started with the much anticipated Athletics Carnival. Chapman students made a huge effort to dress in green, with prizes given to the best individual costume and the best Form room team. All the weeks of practice paid off when the athletics carnival finally came. Chapman didn't take out top spot, but we had a fun day with lots of laughs and games.

For the end of year reward of 2018, Chapman got to go to the Aquarena. Starting the day with the Year 7's going on the challenging BIFF while the Year 8's and 9's were outside enjoying the sunshine. With alternating turns on the BIFF, Chapman was next rewarded with the Tarzan Rope, with the students jumping, plummeting and flipping off with amazing tricks. To end the fun day, we went on the water slide.

As a big thank you to all the students of Chapman, the staff did a sausage sizzle at recess.

With everyone showing Respect, Aspiring to do their best and showing Resilience even at the hardest of times, 2018 has been an amazing and an exciting year in Chapman Sub School for both the staff and the students.

Written by 7C1 students Chelsea Routledge and Jessica Davies.

Mrs Jo Crothers
Chapman Sub School Leader

A.I.M. News

Farewell John Willcock

farewell half of our Year 9 students

Farewell Term 4

Farewell 2018

Welcome 2019

Welcome new Year 6's

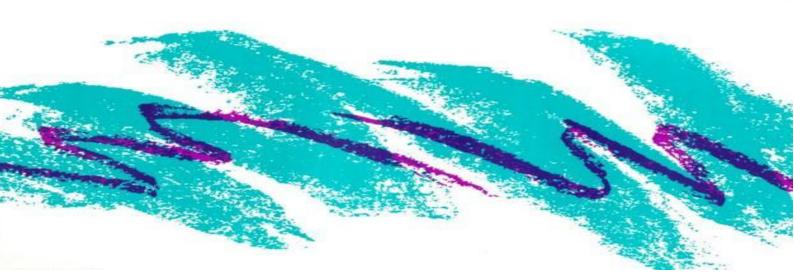

Welcome new A.I.M. boys

Welcome Champion Bay Senior High School!

A few highlights for me this year was:

- The Education Minister's visit;
- End of year excursion;
- Progress of the A.I.M. boys;
- Hard work and dedication of staff;
- All the awards won at celebration assemblies.

2018 has been a ridiculous year and the best we've had since the start of A.I.M. This could not have been possible without the support and contribution of the staff working with these boys. Thank you from the bottom of my heart to each and every person that was involved in A.I.M. 2018 in any way, shape or form. From teaching, to games, to giving food and donating fishing rods and couches, you are all AWESOME!!!

I don't want to single people out as I know I might forget someone, but I do want to thank Mr. Ray Dann for his wonderful work with these young future leaders. His insight and wisdom is priceless and will definitely help our students in their futures.

A.I.M will be back in 2019 and I'm excited to mentor and teach a new group of boys and take them forward in life. I will also be taking on the role of Team Leader and won't be in Student Services next year.

A.I.M boys of 2018, thank you for your on-going commitment to the program and all the hard work you guys have put in, I know we had ups and downs this year, but that is life. You guys all finished this year better than you started it, and that is a massive achievement! Well done to each one of you!

A massive congratulation to the following students on their outstanding achievements:

Denver Maher – Winner of the Clontarf Spirit Award 2018. Completed his full transition back into mainstream. Winner of the Augustus Gregory Award 2018.

Duncan Bennell – Won the most improved attendance award for 2017. Completed his full transition back into mainstream.

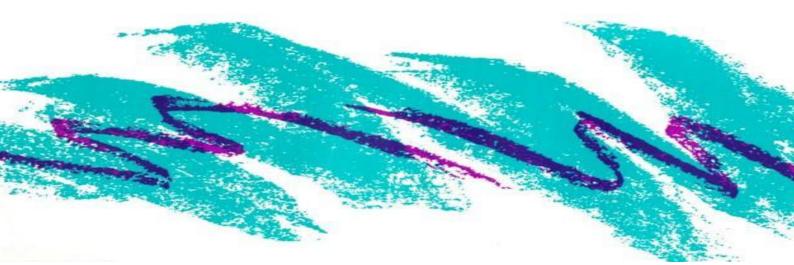

Nathan Dann (ex A.I.M. student) – Completed his full transition back into mainstream. Won most improved attendance for a Year 7 in 2018.

This term was like a paycheck, here and then gone! We did however manage to find time to go on our end of year excursion to Coronation Beach. It was a windy day, but great fun!

Have a great holiday with friends and family and please travel safe. (I've tried adding some highlight photos in, but there are too many too choose from...)

See you in 2019...

Fredrick Pritchard
A.I.M Coordinator

Shine News

Thank you

On behalf of all the 2018 Shine girls I would like to thank staff and supporters of our program.

Here are a few highlight of 2018.

Have a safe and happy Christmas break and look forward to seeing you in 2019.

Mrs Jodie McAuliffe
SHINE Co-ordinator

Commissioner for Children and Young People Colin Pettit is inviting young people with experience of adoption to share their views on proposed changes to the state's adoption legislation.

Commissioner Pettit said that the recent statutory review of the *Adoption Act 1994* had recommended changes to the Act.

"There are 31 recommendations from the recent review and I would like to ensure children and young people with experience of adoption have the opportunity to provide comment on these recommendations and how they should be implemented," Mr Pettit said.

"These recommendations include changes around determining the best interests and wellbeing of a child, mandatory counselling for children required to consent to their adoption and for birth parents under 16 years of age considering adoption for their child, how sibling relationships are maintained and review of adoption plans.

"Children and young people who have been adopted will have an opportunity to confidentially share their views on how they were adopted, the level of involvement they had in decisions and anything else they want the Commissioner to know about their adoption experience.

"Adoption has a profound impact on a child's wellbeing and all children and young people have the right to be heard on decisions that affect them."

Mr Pettit said that this would be the **first specific consultation** held with children and young people on adoption in WA.

There are three categories of adoption in WA – intercountry adoptions of children from overseas, local adoptions of children from within Australia and 'known' adoptions, including adoptions by stepparents, other relatives and carers.

In 2016-17 there were 44 adoptions orders made in WA involving 27 children and 17 orders for young people over the age of 18 years. Of the 44 adoptions, 28 were known adoptions, five were local and 11 were intercountry adoptions.

Young people's views from this consultation will be provided to the Department of Communities and the Minister for Child Protection.

Young people aged 12 to 25 can share their views confidentially in a range of ways, by participating in an interview, completing an online survey or being part of a focus group discussion. To participate, young people can contact the Commissioner by sending an SMS to 0434 327 803, phoning 1800 072 444 or emailing info@ccyp.wa.gov.au

Dear Parents and Guardians

New school uniforms are here.

Next year will be an exciting time for our school community. From 2019, our school will be known as Champion Bay Senior High School. Along with new and refurbished buildings and landscaping, we now have a new school crest and uniforms.

Students will be dressed in one of two polo shirt styles, depending on their year level. The navy polo shirts will feature a teal panel and white piping for Years 7-9 or white panels with teal piping for Years 10-12. The shirts are matched with functional navy blue shorts, skorts or sport shorts. In cool weather, students will wear navy track pants and a new zip front uniform jacket.

To assist with the cost of the transition, currently enrolled students will be provided with a free uniform package that includes a voucher to purchase three polo shirts, two pairs of summer short pants, one pair of navy track pants and one school jacket.

Uniform packages and additional uniforms to purchase will be available from Total Uniforms from 2 January, 2019. Parents or Guardians can collect a voucher for each currently enrolled, eligible student from the School Administration Office from 3 December 2018 during office hours. Each student will be issued with only one voucher, so please treat it like cash. The school will take no responsibility for lost vouchers and will not reissue vouchers.

Attached is a list of Frequently Asked Questions about the voucher process and uniforms. If you have further questions, please contact the Administration Office on 9965 8300.

I look forward to seeing our students in the new school uniforms next year.

Yours sincerely

Julie Campbell Principal Champion Bay Senior High School

Champion Bay Senior High School New Uniforms Frequently Asked Questions.

When and where will the uniforms be available?

Uniforms will be available from Total Uniforms at 2 Jensen St, Geraldton, from 2 of January 2019 and beyond. Layby orders can be made from 19 November 2018.

How do the uniform vouchers work?

Each continuing enrolled student entering Years 8, 9 and 10 will be allocated one voucherfor a Senior or Middle School Uniform Package. The package includes three polo shirts, two pairs of shorts or skorts, one jacket and one pair of school track pants.

A Parent or Guardian will be required to collect and sign for the voucher at the school Administration Office. Please treat the voucher like cash as we can only provide one voucher for each student. The school will take no responsibility for any loss of vouchers. Take your voucher to Total Uniforms to exchange for appropriate sized clothing. At this time the Parent or Guardian will be required to sign again to collect uniforms.

Can I purchase additional items?

Yes, additional items will be available to purchase. Please see the attached price list.

Is the new uniform compulsory for the beginning of 2019?

Yes, we are very excited to be starting the year with a new school name and a new uniform. As uniform packages are provided for existing students, they will be required to wear the new uniform from the first school day of 2019.

Currently students can wear any pants or shorts in the appropriate colour, is that still the case?

No, from 2019 we are moving to compulsory track pants, shorts or skorts with the school name. This will give our students a unified appearance.

Are there boys and girls uniforms?

Students can choose any of the three styles of summer pants. A microfiber short (in a choice of two lengths), stretch polyester skort and girls sport style short.

Track pants are universal and polo shirts are available in two styles: Years 7-9 and Years 10-12.

My child will change schools after 2019 will they receive another uniform package?

Unfortunately no. We can only provide one package per currently enrolled, eligible student. However by 2020, we anticipate secondhand uniforms will be available. The school will provide a market place on Facebook for parents to buy and sell used uniforms.

Can I use the voucher to purchase uniform items other than listed in the package?

In order to manage the roll out of uniforms effectively, all eligible students in each year level will be issued with the same package.

If a student does not wish to wear shorts for religious or cultural reasons, please contact the Administration staff to make alternative arrangements.

What happens if I lose my voucher?

Please treat your voucher like cash. Due to the nature of managing a large number of students and packages we cannot re-issue lost vouchers. The school takes no responsibility for lost vouchers.

Will the school sell secondhand uniforms in the future?

Champion Bay Senior High School will establish a market place on Facebook for Parents and Guardians to buy and sell used uniforms.

Uniform Price List 2019

updated 8/11/18

Middle School Polo Shirt - navy/teal/white with school crest	\$32.95
Senior School Polo Shirt - navy/white/teal with school crest	\$32.95

Rural and Regional Enterprise Scholarship Program (RRESP)

This scholarship has been specifically developed by the Federal Government to support students from rural and regional areas who wish to study in a STEM program at recognised institutions across Australia.

Benefits

The scholarship gives successful applicants access to up to \$18,000 whilst studying their chosen course. There is also provision for an additional \$500 to support students wishing to undertake an internship.

Eligibility

To be eligible, applicants:

- Must be an Australian citizen or holder of a permanent humanitarian visa
- Must not have already commenced their Eligible Course of Study
- Must have a permanent home address in a regional or remote area as defined by the Australian Statistical Geography Standard (ASGS).

More information

Further details on the RRESP program, selection criteria and the application process can be found at https://www.qtac.edu.au/scholarships Click here to download a brochure with more information.

The Queensland Tertiary Admissions Centre (QTAC) has been contracted by the Department of Education and Training to manage the application and selection processes and distribute scholarship funding.

CHAPMAN VALLEY AGRICULTURAL SOCIETY NEEDS YOUR HELP

In the lead up to the 70th annual Chapman Valley Show in 2019 we are looking for any photographs from our amazing show from early days right through to last year.

We want to prepare a slide show presentation that will screen throughout the day.

We may also want to reproduce some photos and display these in and around the showground buildings.

Also, if you also have any old memorabilia (old prize certificates, rosettes etc) that you may wish to loan us to display on the day please contact me.

If you are able to scan and email your photos to Trish Kupsch <u>accounts@chapmanvalleyshow.com.au</u> or if you need a hand with this please contact me on 0427 193 066
