

School-based Traineeships at Champion Bay SHS

We are very excited to announce we have been able to place three more students in school-based traineeships throughout the month of March. We have two students commencing at GRAMS, one in Business and the other in Community Services.

Our third student, Carlos Ponta, is working with Western Mulga undertaking a school-based traineeship in Conservation and Land Management. Carlos successfully completed the Certificate I in Conservation and Land Management in 2019 as part of the Aboriginal School-based Traineeship Program. He will now go onto complete the higher qualification (photo opposite).

We congratulate these students on their successful applications and look forward to seeing them flourish in the world of work over the next 18 months. Watch this space as we still have another two students awaiting the commencement of their School-based traineeships.

Covid19 Update:

Unfortunately, the following programs have had to be postponed due to the Covid19 crisis:

- **TAFE Links** is currently "paused". All students should have been notified by TAFE, here is a link to more detailed information.
<https://www.centralregionaltafe.wa.edu.au/marketing/coronavirus-covid-19-update-tafe>
- **Student Health Academy Term 1** (27th March) – we are awaiting more information for Term 2 and 3 dates.
- **Year 10 and 11 Work Experience** programs – these are currently postponed due to the uncertainty in our local economy. We will endeavour to keep you up to date with any developments around new dates for these programs.

USI's

Thank you to parents who have emailed in their child's USI over the past few weeks, we really appreciate your support with this. A reminder to parents who may be home in isolation, this is a good activity that students can do themselves, with parent permission and a birth certificate or Medicare card. Please ensure the USI is emailed to either:

debra.kempton@education.wa.edu.au
natalie.partington@education.wa.edu.au

as it must be put into our school system.

Follow the link below to obtain a USI for your child: <https://www.usi.gov.au/login-page>

Phones

If you would like to make contact with us at the Careers Central office please call the Front Office on 9965 8300 and ask for extension 365.

Year 7 Class Visit

This week we had Miss Vlatko's Yr 7 HASS class visit us in our new Careers Central @ Champion Office in the Moresby building. The students came prepared with careers type questions and were very interested in their future aspirations and opportunities. This is some of the students feedback from the visit:

- enjoyed learning about all the possibilities, one day I hope to get my WACE
- Something I learnt at my visit to Careers Central is that there are many reasons to work and we can do more than one job at once
- I enjoyed when Mrs Kempton talked about work experience
- Something I learnt at my visit to Careers Central is that they can help point you in the right direction
- Something I learnt at my visit to Careers Central is that what WACE is, I enjoyed the experience

All students and parents/ guardians are welcome to come in and become familiar with our space and the resources we have on offer.
