Issue 5
August 2020

Welcome to Term 3, another busy yet exciting term for our VET students. The term commences with the very important Course Counselling of our Year 10 students. This involves the students selecting the correct pathway and subjects they will be studying in Year 11 and 12. We look forward to lots of our students expressing an interest in the many TAFELinks qualifications on offer, along with the school-based Certificate qualifications.

We have also started the term with 20 of our fabulous Year 10 indigenous students enrolling in the Aboriginal School-based Training Program. This will run through to the end of the year and will provide these students with the skills, knowledge and experience to move into School-based training when they enter Year 11 in 2021.

We wish all of our students a successful Term 3 and look forward to bringing you updates on their progress throughout the term.

Aboriginal School-based Training Program (ASBT)

The Year 10 ASBT program commences today at full capacity with 10 Students in both the Certificate I in Leadership and the Certificate I in Automotive.

We would like to thank the staff whose assistance has been vital to these students submitting their applications and permission forms on time. An extra big thank you to Susan Derschow whose resourcefulness has ensured all students will be in the correct PPE for their first day at TAFE.

This is an exciting opportunity for our students who will no doubt enjoy the program immensely and we look forward to providing you with updates along the way.

Congratulations

At the end of Term 2, two of our Year 11 students were very fortunate to successfully obtain full time apprenticeships!!

Daniel Gardner (photo below) commenced full time employment with Sun City Motorcycles as an Apprentice Mechanic and Aliyshia Weir (photo above) commenced full time employment with Industrial Hair Design as an Apprentice Hairdresser. Both of these students were enrolled in TAFELinks courses which has contributed to their successful placements.

We will miss them at school however we would like to congratulate them on their success in their future pathways. What an amazing outcome for these two fabulous students!!

Year 10 WACRH Health Academy 2020

Unfortunately, due to COVID-19, this program has been cancelled for 2020.

Work Experience Business Contacts

If any parents have any business contacts who may be interested in hosting work experience students please email

ENLIGHTEN

TAFELinks Applications NOW OPEN for 2021

Currently applications are open to Year 11 students who are interested in studying a qualification at TAFE in 2021. It is important to note, if they are currently studying at TAFE they are not eligible to undertake another TAFE qualification. Please see Mrs Kempton or Mrs Partington in Careers Central for the required applications and more information.

All Year 10 students will have the opportunity to discuss TAFE options with their Course Counsellor and this will be noted on the paperwork. Mrs Kempton will then follow up with interested Year 10 students following the completion of Course Counselling and the TAFE application process will be put in place.

For both Year 10 and Year 11 TAFELinks applications, students will need a USI, parent's/guardians information and signatures and must meet strict deadlines. However, we will be offering assistance to all students to maximise their opportunities of success with the applications.

Now.**

Year 11 Work Experience

Application forms will be given to all Year 11 Career and Enterprise students next week by their class teachers. It is very important that the notes are returned to their teacher or Careers Central by **Friday 7 August** as work experience does take a lot of time to organise.

Applications must be accompanied by a resume. Late applications cannot be accepted unless exceptional circumstances prevail.

If you lose your application, please come to Careers Central @ Champion as we have plenty of spares.
