

Kealan Nightingale

CONGRATULATIONS

Kealan undertook work experience, as a Year 10 student, with Southside Mechanical. He enjoyed it so much he decided to apply for the Pre-apprenticeship in Automotive at Central Regional TAFE. His application was successful and he commenced training at TAFE as a Year 11 student. Throughout this year Kealan has given up a lot of his school holiday time as a volunteer at Southside Mechanical, which has paid off for him as he has just been offered a full time apprenticeship.

We would like to congratulate Kealan on his effort over the last two years and wish him all the best as he ventures out into the world of work!!
