CHAMPION BAY
SENIOR HIGH
SCHOOL

2022 TERM 3 ISSUE 6

Our vision for 2022 and beyond:

CBSHS students are respectful, resilient and will aspire to achieve excellence.

We believe in empowering our students to become independent learners, critical thinkers and problem solvers, in order for them to achieve their academic, social and emotional potential.

Highlights since our last newsletter:

- CBSHS Athletics Carnival
- 2022 Country Week
- Targeted Teaching PL

School Development Day

On Wednesday 7 September, the school had the fourth of six School Development Days. The emphasis was on curriculum as we work to close the gap between teacher judgements and system assessment results.

Staff are focussing closely on the data of their classes, and all are working on improvement strategies for Semester Two. Support staff were involved in workshops provided through the Geraldton Lighthouse Project.

Teaching staff also took part in an Accessible Education workshop presented by Natalie Worthington and Rita Twigg. A key part of this workshop was hearing student voice about the work they are undertaking in the Champion's at Work program.

The day commenced with a cultural tour designed and organised by Ray Dann, Susan Derschow, Gabriel Parfitt, Carol Riley, David Ronan, Russell Sedgwick, Helen Thompson (Follow the Dream) and Kylie Parkinson. In teams of five, staff had a series of activities to complete – with 'selfies' at various locations. A key point of interest was being met at RT's restaurant by the organisers, and having to decide what they were tasting. The samples were crocodile and emu meat. The tour plenary session was held in the Dance Studio where each station was identified and prizes were awarded to successful competitors.

An extended tour is being organised for the first School Development Day in January and this will take in key information and sites along the Yamatji trail.

Athletics carnival

This event was held on Tuesday 6 September. Despite fears of very inclement weather – which saw a downpour and blustery winds at 08:40, the day was very kind to us. Apart from one small shower, the sun came out and a fantastic day was had by all who attended.

Numbers of competitors in Years 7 and 8 were outstanding, and this bodes well for future carnivals of this nature.

House leaders were:

- Coronation (gold) Craig Tapper
- Drummond (blue) Bree Clarke
- Midalia (green) Ronan Croft
- Sunset (red) Alan Evans

After a hard tussle for the lead all day between Sunset and Midalia, Midalia were declared winners by a small margin. This is their fourth victory in a row and the other houses are looking forward to 'de-throning' them next year. Thanks to Ronan Croft and his team for organising the event.

Staff Changes

Mr Sean Richards (Technologies) went on leave and has resigned from CBSHS effective Monday 15 August. Sean is following a new life path and will be entering the Ministry. We wish him luck and best wishes, and he will be sadly missed by all at CBSHS.

Congratulations to Kristie O'Brien on her appointment to the Lead Education Assistant role. Kristie will work with all EAs and with the Geraldton Lighthouse Project at CBSHS.

Country Week

CBSHS sent a delegation of students to the re-scheduled Country Week competitions in Perth during Week 7. The team was captained by Holly Turner and Rollan Wilson, with Aleesya Amirizal and Harry Calver as Vice Captains. Forty five students represented the school in Boys/Girls Volleyball, Girls Netball, Dance and Boys Basketball.

The teams were coached by:

Volleyball (G) Jo Corlett
Volleyball (B) Hugh Forbes
Dance Teaka Howard
Basketball Liam Hunt
Netball Chloe Facchini

Our thanks to Emma Forrester for her organisation of this event, which has been made significantly more difficult by COVID planning expectations. Also, thanks to Kobie Oswald (School Officer) for her work in collating the very substantial excursion paperwork for this event.

System Assessments

Due to the re-scheduling of Country Week, the second round of OLN testing took place during Week 8. Students will continue OLN assessments until Week 10.

Virtual Power Plant (VPP) Project

CBSHS has been selected to take part in the Schools VPP Project. More information about this exciting development will be presented to the community next term.

P&C News

The P&C have undertaken 2 successful fundraisers during Term 3. They were able to secure a second 'Sausage sizzle' spot at Bunnings on Saturday 30 July. This event added \$1400 to the coffers. Thank you to all P&C members that helped- but especially to Justin Mallard (President) who cooked all day and Mandy Fry (Secretary) who organised the logistics. An event of this nature raises our profile in the community and nets a handy profit.

Representative members will attend the WA Council of State School Organisations (WACSSO) conference later in September. The conference was attended by both the Minister for Education and the Director General. They presented two questions on behalf of the community to both the Minister and the Director General.

WA Student Council

The WA Student Council provides an opportunity for students to engage with education policy and help shape the future of education.

It will allow young people to have their voices heard and allow involvement in decisions that affect them. The council will empower young people to have a say in their education. The council provides the Department of Education, and the Minister for Education and Training, with opportunities to respond to student needs.

Councillors will represent public education across the state, providing advice to the Minister on education policy, reform and public education. There have been 38 students across the state appointed to the Student Council and Manny Richardson (Year 11) has been appointed from the Midwest. I congratulate Manny on this achievement as this is an outstanding opportunity for him to provide a Midwest perspective to the Council.

KEY DATES

- 5-23 Sep - OLNA
- 21-23 Sep - Year 12 SIDE Exams
- 22 Sep - PUBLIC HOLIDAY
National Day of Mourning
- 26 Sep - PUBLIC HOLIDAY
Queen's Birthday
- 3-7 Oct - Year 12 School Examinations
- 10 Oct - School Development Day
- **11 Oct - Students return for Term 4**
- 11-14 Oct - Yr 12 Spirit Week
- 12-14 Oct - Yrs 6 - 9 Young Writers
- 20 Oct - Yr 12 Valedictory Evening
- 21 Oct - Yr 12 Assembly and Final Day
- 24 Oct - 4 Nov - Year 9 OLNA
- 26 Oct - VETDSS Awards Night
- 31 Oct - 18 Nov - ATAR Exams
- 7-11 Nov - Yr 11 Work Experience Week
- 8 Nov - Clontarf Awards Night

A word from our Associate Principal Mr Wyatt

We have come to the end of another extremely busy term. I am not sure how we manage to pack so much into 10 weeks. Despite this being so busy it has provided our students with many opportunities and experiences to help them grow and develop academically, socially and emotionally.

OLNA

This year's OLNA window was very challenging with Country week, Athletics Carnivals, School Development Days and a Public Holiday. Despite this, our Year 10, 11 and 12s that sat OLNA in Writing, Numeracy or Reading from 5 to 23 September have shown great resilience. We wish you all the best and look forward to the results coming back in November. A special thanks to Mrs Worthington, Mr Croft, Mr Collier, Miss Bell, Mr Twigg, Mrs Twigg and Mrs McLaren for supervising.

Athletics

While our carnival was on 6 September with our students aspiring to be their best, selected Year 10 and 11 students were also helping in the community at Wandina and Allendale Primary Schools. This is an excellent opportunity for our students to represent themselves and Champion Bay Senior High School, while developing excellent interpersonal, coaching and communication skills.

Celebrations

It is always fantastic to celebrate our students success, we continue to acknowledge our students for displaying our school wide expectations of Respect, Aspire and Resilience.

Miss Bell with Year 10 award recipients.

Year 12 Student Leaders for 2023

We are very excited to be holding nominations for the 2023 School Leaders. Speeches and voting will be hosted in Week 10 of Term 3. Good luck to all the applicants who have taken on this opportunity. Winners will be announced in Term 4.

A word from our Associate Principal Mrs Bennett

As the end of Term 3 approaches, we reflect on what has been another busy term. Most students in lower secondary have had a positive and productive term with many students displaying personal growth, increased maturity, good decision-making skills and increased respect for others.

Throughout the term we have focused on being prepared for all classes by bringing the correct equipment. Being prepared for classes, with all the necessary stationery, allows for less disruption at the start of the lesson and more time for teaching and learning to take place. Form teachers started the term off with a stationery "blitz".

Students responded well and feedback from classroom teachers has been very positive. There certainly has been a big improvement. Well done to staff, students and parents/guardians. Students are encouraged to continue to aspire to meet this expectation for the remainder of the year.

I would like to take this opportunity to acknowledge the incredible daily efforts of all teachers who create engaging lessons, encourage students to strive to do their best and work with dedication to maintain whole school behaviour expectations. Our caring and passionate Team Leaders consistently support students' social, emotional, physical and academic needs and create a most welcoming Team environment.

Wishing you all a relaxing and rejuvenating holiday. Students are encouraged to return in the new term having reflected on Term 3 and having set themselves new and achievable goals for Term 4.

CHAPLAIN'S CORNER

Hi all, it's my first time putting in a newsletter contribution! I had the absolute honour of spending time with students down at the healing gardens alongside AEIOs David Ronan and Raymond Dann for R U OK Day. They did an incredible job of getting a campfire for the kids going and creating a great communal atmosphere at lunch time. Props to the Student Service team who did an incredible job organising the event and getting those pancakes flipped!

*Jared Marsh
Chaplain*

It has been noted that there has been an increase in the consumption of sugary drinks at school this term.

Eating too much sugar too often can cause problems like tooth decay and weight gain. Foods that are good for teeth are also good for a growing healthy child. Sugar is often hidden in everyday foods and drinks and can be written as cane sugar, glucose, molasses, sucrose, fructose, lactose and maltose.

Health bars, roll-ups and dried fruit are also high in sugar and can stick to teeth more easily, putting teeth at higher risk of decay. These foods should only be eaten occasionally in small amounts.

Healthier food and drink options for children include:

- whole fresh fruit or fruit salad
- veggie sticks and dip – carrot, celery and cucumber are great for dipping
- cheese and crackers
- plain popcorn
- plain water

Drinks - what should children and teens drink?

Drinking plenty of water is essential for people of all ages. When your child is thirsty, encourage them to drink plain water.

It is recommended that:

- children aged 5 – 8 years drink 1000ml per day (4 big cups)
- children aged 9 – 12 years drink 1500ml per day (6 big cups)
- young people aged 13+ years drink 2000ml per day (8 big cups).

Drinking milk is also important, as it provides children with the calcium they need for growing bones and teeth. If your child doesn't drink milk, try yoghurt, cheese or calcium-fortified soy milk.

The drinking of cordials, soft drinks and fruit juices should be limited, as the sugar in these drinks may contribute to tooth decay and unhealthy weight.

Energy drinks and artificially sweetened drinks are not suitable for children and teens. The high caffeine content of these drinks can produce a variety of unpleasant side effects. The high sugar levels in these drinks can reduce the body's ability to absorb water, meaning that it is dangerous to consume these drinks before, during or after physical activity. It is particularly dangerous to mix energy drinks with alcohol.

Energy drinks

Energy drinks and artificially sweetened drinks are not suitable for children and teens. The high caffeine content of these drinks can produce a variety of unpleasant side effects. The high sugar levels in these drinks can reduce the body's ability to absorb water, meaning that it is dangerous to consume these drinks before, during or after physical activity. It is particularly dangerous to mix energy drinks with alcohol. They are also not recommended for pregnant women, people with heart disease, or people who are sensitive to caffeine.

Energy drinks typically contain:

- caffeine (ranges from 30mg/250ml to 150mg/250ml, depending on the brand)
- guarana (a caffeine extract from a plant)
- sugar (in higher quantities than sports drinks)
- protein (the amino acid taurine is often added to these drinks)
- Vitamin B.

The high sugar levels in these drinks can reduce the body's ability to absorb water, meaning that it is dangerous to consume these drinks before, during or after physical activity. It is particularly dangerous to mix energy drinks with alcohol.

Soft drinks, fruit juices and cordials

Did you know that soft drinks, fruit juices and cordials are strongly linked to being overweight in children?

In our modern society, very few children use up enough energy to take on the extra calories of 'treat' food and drinks. Research shows there is a very strong link between consumption of 'treat' drinks (soft drinks and other sweet drinks) and being overweight in children.

Provide water for children as the standard, everyday drink and offer soft drinks only on special occasions. Give children fresh fruit instead of fruit juice.

Deadly Sista Girlz

During Week 6 of Term 3, Deadly Sista Girlz were invited by Yamitji Art to attend a performing arts workshop facilitated by Italian Creatives from FOLIC, who are currently collaborating with Yamitji Art.

Our DSG students attended the stage craft workshop with stage director Stefano Vizioli and soprano singer Gemma Bertagnolli. Both of these artists have an international profile and were incredibly excited to share their knowledge with the students.

Stefano stated that a number of the students possessed natural acting abilities and had engaging stage presence, which he found exciting.

The girls were taught basic acting exercises which they really enjoyed and got involved in.

Deadly Sista Girlz have been invited back to participate in the next series of workshops which will be facilitated by the National Academy of Dance - Rome. We look forward to the opportunity!

LIBRARY

Young Writer's Workshop

The last Young Writer's Workshop will occur in Term 4, Week 1. A.J. Betts is the visiting author.

She is a Perth based writer of teenage fiction, a popular speaker, and teacher. Her books include the dystopian Hive and Rogue duology, Zac & Mia, Wavelength, and Shutter Speed.

To attend a full day writer's workshop, it will cost \$30. See Miss Harman or the Library Staff for a permission slip.

The Latest Jigsaw Puzzle

A round jigsaw puzzle was donated to the library by Mrs Gerard. It only has 300 pieces but was one of the most difficult puzzles to finish! Thank you to all the persistent staff and students who rose to the challenge and completed the jigsaw.

Holiday Activity

Need something to do over the holidays?

Borrow reading material from the School Library!

Mrs Olga Cotterell
Teacher Librarian

Mrs Helen Thompson
Program Coordinator

FTD Senior students and Alumni dinner and a movie night

It was great to have an evening of sharing over dinner with our current senior students and Alumni. All of the FTD students were invited to come to the Geraldton cinemas for a movie and popcorn.

Rural Youth Ambassador

Manny Richardson was successful in his application to participate in the Rural Youth Ambassador (RYA). This program brings together passionate and diverse rural young people, to develop their leadership skills, grow knowledge and establish a representative voice for all rural young people. We are very proud of Manny and his accomplishments.

Yamatji on Country

A group of our FTD students attended a meeting to workshop with students from GSHS and Nagle to come up with ideas around issues faced by our youth and possible solutions. The students will attend the two-day Yamatji on Country meeting scheduled for Term Four at Bundiyarra and present their thoughts around these issues to community and Ministers.

CBSHS NAIDOC

This year's NAIDOC assembly was again hosted by the FTD students. The group spoke with enthusiasm, showing pride in and respect to our ancestors and Elders. It is always inspiring to see our students 'Get up! Stand up! Show up!'

Design Your Dream Camp - Perth

This term a group of year 9 to 12 FTD students attended the DYD camp in Perth to investigate post school career pathways and meet some amazing people. There was lots of fun and thought-provoking activities to participate in throughout the week. The places we visited were; WA State Library, Boola Bardip - WA Museum, Curtin University and their Centre for Aboriginal Studies and SkillsWest Careers Expo. The students also had fun at the Escape Rooms, 3D mini golf, gelato at the river and late night shopping at the Carousel.

Evatt Trophy Competition

Miss Marnie Bell
HASS Teacher

A group of Year 9 to 12 students recently attended the 2022 Geraldton Evatt Trophy Competition hosted by Geraldton Senior High School. The 13 students participated in teams of two in a mock United Nations Security Council debate. Each team is assigned a country and a resolution to be debated. Students argue the resolution from the perspective of that country in a model Security Council format. The day began with a workshop explaining model UN and how the competition worked followed by two rounds of debate. The resolution was the question of the Solomon Islands as well as the topic of COVID and aid to sanctioned states. The Evatt Trophy Competition furthers students' knowledge of not only the world on a global scale, but also countries' policies and interconnections.

Year 7 Museum Excursion

The Year 7s were able to experience History this term by visiting the Geraldton Museum to identify artifacts on our past and to create a better understanding Geraldton's History. This included hearing a presentation from the museum curators, in order to understand the value of the museum and the role it plays in preserving our past, besides having "really cool stuff". Students got to explore the shipwrecks gallery, and also investigated the Mahomet's Cameleer's exhibit, HMAS Sydney exhibit and Aboriginal history to build a better understanding of Geraldton's past. Back at school, Year 7 students also participated in an archaeological dig to uncover how people lived in the past. They excavated various sites and had to decide what they thought the items were, and how people may have used them.

Year 10 Fieldwork

Year 10 students participated in their Geography Fieldwork excursion to local Geraldton beaches to examine and investigate beach erosion. The recent weather in Geraldton assisted in providing a clear picture of the destruction caused by high tides and winds. The wet weather for some students didn't dampen their spirits as they explored the different beaches evaluating the different management strategies put in place.

Champion Bay SHS presents...

THE NIGHTMARE BEFORE CHRISTMAS

Wednesday 12 October 6pm

Friday 14th October 6:30pm

COUNTRY WEEK

On 28 August at 1:30pm we were fortunate enough to begin our journey to Champion Bay Senior High School's inaugural year at the School Sport WA Senior High Schools Country Week. Both students and staff were filled with anticipation about what the week would bring, with a majority of students filled with sugar by the time we hit Joondalup for dinner, there was no shortage of snacks on the bus that's for sure.

Our journey to, and around, Perth would not have been possible without the coach provided by Geraldton Coachlines and the patience of our personality filled driver Brigette Snow. The accommodation was provided at Mont Clare Apartments in East Perth with the biggest disappointment for the students being that we weren't around long enough for them to spend time in the pool.

I'm not sure Perth knew what hit it, with 47 schools from around our great state, from as far away as Albany, Broome, Esperance and the Christmas Islands bringing over 3000 students to attend. Most vendors I spoke to during the week commented on how polite and respectful they found all of the students, whether from our school or other country schools.

Champion Bay Senior High School entered five teams including Boys Basketball, Boys Volleyball, Girls Netball, Girls Volleyball and last but not least Dance. Each day saw the students of these teams play against other schools within their division at least once or twice a day, I think the shock of playing so many games so close together definitely hit home by Tuesday or Wednesday. Our students showed amazing RESILIENCE to continue persevering throughout the week. While our final placings didn't reflect the abilities of these groups, we at Champion Bay Senior High School were so proud of the ASPIRATION the students showed in putting all their efforts into each and every game. Special mention to our Dance team who gave it their all for hours each day and came home with the Bravery Award.

COUNTRY WEEK CONT..

Over the course of the week staff and students were able to engage in nightly activities to increase our team cohesion, boost morale and show everyone some amazing sights Perth has to offer. On Monday night the battle began playing Ten Pin Bowling at Rosemount Bowl, with burgers, chips and a drink to keep those energy levels up. The highest score, in the triple digits, was shown by a quiet Girls Volleyball player, with Mrs Corlett learning her right hand bowls better than her more dominant left hand. Tuesday saw us exploring the magnificence that is Optus Stadium. If anyone has a chance to do this tour, Country Week students and staff all highly recommend it. The size of the place, the history they have included and the opulence of the West Coast Eagles and Fremantle Dockers areas are a sight to see. Our latest night was having dinner and watching a movie in black leather electric reclining chairs on Wednesday; most found they were great to sleep in! Some scored excellent prizes from Timezone, in amongst all the time they spent finding the best burgers, pasta dishes, pizzas and ice-creams. Thursday night took us to Westfield Carousel. Students showed the RESPECT they have for their teachers, and Bridgette, in purchasing gifts to show their appreciation. Friday saw us headed for home. For those who follow us on Facebook, I am sure you have all seen how tired the group was for the drive back.

The coaches have put in vast amounts of their own time to train, coach and spend a week away from their families to ensure the students were given this valuable opportunity. I thank each and every one of them for their efforts. I would also like to thank:

- The Parent's/Guardians, who allowed us to give their children this opportunity.
- The CBSHS Teaching Staff, who picked up numerous relief lessons whilst we were away and filled in weeks' worth of Achievement cards.
- The CBSHS Support Staff, who helped with all the organisation and last minute hiccups to make sure our week ran smoothly.
- The CBSHS Leadership Team, who allowed us the opportunity to attend, especially with the change in timing this year.
- Staff had a great time getting to know students outside the classroom environment. It was our pleasure to take this group and see the level of growth some of them had over such a short period of time.

I must make mention to the support our students showed towards other schools from our region, and the same support being shown in return. It was humbling to see that if we had free time the students were searching out other Geraldton schools to cheer for or check in on. Our region should be proud that they have so many kind and considerate secondary school students. We look forward to being able to attend the Batavia Games in 2023 prior to Country Week to help form those bonds and strengthen that support for the years ahead.

Our final placings for 2022 were:
Boys Basketball – 8th in B Division
Girls Netball – 8th in C Division
Boys Volleyball – 4th in E Division
Girls Volleyball – 6th in D Division
Dance – 6th in A Division

For those wishing to join us next year keep up your Good Standing, start saving and put Term Two Week 10 in your diary.

From CBSHS

**A MASSIVE thank you to
Emma Forrester for
organising/coordinating
Country Week 2022!
This could not have happened
without you!**

Miss Emma Forrester
Country Week Coordinator 2022

ATHLETICS CARNIVAL

What a day! Mother Nature reminded us that she was a force to be reckoned with. Saving the heavy showers for the morning set-up and during the afternoon pack-up. Needless, everyone was very happy when the fronts passed through in the morning rather than during the activities! There were a range of Athletic events such as 100m, 200m, 400m, Triple Jump, Long Jump, Shot Put and relays conducted during the day. The novelty events of the Flag Relay and Leaderball provided a chance for students to gain additional points for their House. At all events, students demonstrated *respect* for their peers, teachers, and the rules in place. They *aspired* to always ensure their best and because of their *resilience*, some achieved better than personal best times or distances. There were many highlights throughout the day, with too many to mention that it would be difficult to just pick a few.

Pre-carnival events included High Jump and the 800m that were conducted the week before and the day before the Carnival. A spirited performance from all competitors at both events.

The Houses were able to accumulate general points for participation and individual competitor points. The following scores at the end of the day were:

Midalia	1142 - First
Sunset	1125 - Second
Coronation	1052 - Third
Drummond	1045 - Fourth

ATHLETICS CARNIVAL

Participants had the opportunity to engage in Athletic events to accumulate points towards individual Championship and Runner-Up medallions. The following students obtained the highest individual points to be nominated either Champion or Runner-Up for their respective year group.

Champion Year 7 Boy - Jake Healy
Runner Up Year 7 Boy - Reef Dunk

Champion Year 7 Girl - Rayne O'Brien
Runner Up Year 7 Girl - Madison Middleton

Champion Year 8 Boy - Billy Ruffin
Runner Up Year 8 Boy - Boston Dixon

Champion Year 8 Girl - Lara Day
Runner Up Year 8 Girl - Amelie Dumont

Champion Year 9 Boy - Max Lancaster
Runner Up Year 9 Boy - Jeffery Joyner

Champion Year 9 Girl - Harmony Narkle
Runner Up Year 9 Girl - Nakiyah Van Lierop

Champion Year 10 Boy - Cooper Booth
Runner Up Year 10 Boy - Jonathan Black

Champion Year 10 Girl - Bianca Clarke
Runner Up Year 10 Girl - Avril O'Brien

Champion Year 11 Boy - Patrick Varney

Champion Year 11 Girl - Asha Robson
Runner Up Year 11 Girl - Syrah Boryczewski

Champion Year 12 Boy - Cael Robson
Runner Up Year 12 Boy - Maureece Moustafa

Champion Year 12 Girl - Olivia Bond

A shout-out to Sup and Steve for their meticulous maintenance and marking of the Athletics Oval. The weather greatly impacted on their preparations at times with the result looking fabulous, as always.

A MASSIVE thank-you to all our students, school staff and parents who came to observe their child(ren) on the day. We look forward to the 2023 Athletics Carnival.

Miss Gemma Hardiman

Purchase canteen meals online.

No cash. No problem! **Try QuickCliq today!**

QuickCliq is an innovative online ordering system trusted by schools and parents across Australia. QuickCliq is a cashless solution that helps you manage your children's canteen orders from the comfort of your home or office.

How to get started

- QuickCliq is free to set up and easy to use
- Register at www.quickcliq.com.au
- **SIGN UP** and complete the registration form
- Receive a link via email to **ACTIVATE** your account before logging in
- **ADD STUDENT**, add your child's details, select their school and save to your account
- **ADD CREDIT** to your online wallet before ordering or pay as you go using credit or debit card
- Select **MEAL ORDER** and you're good to go

Orders can be placed up to 28 days in advance. You can view your completed orders via the Active Orders or Transaction History tabs in your account.

Want to know the best thing about QuickCliq?

- ✓ One family, one account – you will have one unique and secure login to manage all your children's orders, even if they attend different schools. QuickCliq saves you time and gives you complete visibility over your family's needs.
- ✓ Tired of looking for change every morning before your kids run off to school? With QuickCliq, lunch money is a thing of the past.
- ✓ We're giving control back to you over your children's diets. By ordering their lunch ahead of time, you can ensure they are eating healthy and balanced meals.
- ✓ QuickCliq was designed with mobile access in mind. Simply login to add credit and order, all from the convenience of your smartphone or tablet.
- ✓ To top up your account you have three options; Direct Debit / Credit Card / PayPal
 - Direct Debit - 0.50c transaction fee
 - The surcharge to add credit is 1.5%
 - The surcharge for PayPal is 3.8%
 - When placing an order there is a small booking fee per transaction per student.

Our Call Centre is here to assist your families with ordering online **Call 1300 11 66 37**
