2026 Year 10 Elective Sheet

INSTRUCTIONS

In Year 10 you have **two** elective courses each week. You study these for the semester, except for the year-long electives which are studied for the whole year.

You must select one choice from the ARTS and one choice from Technologies. Year 9 Instrumental Music School Services (IMSS) students must select Class/Instrumental Music in Year 10 to continue learning their instrument. **Some courses may not run if enough students do not select them.**

Section 1: Select **one first** choice and **one reserve** choice for The Arts. Year 9 Instrumental Music School Services (IMSS) students must select Class/Instrumental Music in Year 10 to continue learning their instrument.

Section 2: Select **one first** choice and **one reserve** choice for Technologies.

Section 3: Select **first** choice and **one reserve** choice. Select **second** choice and **one reserve** choice. For Instrumental Music School Services, Midwest Clontarf Academy and Deadly Sista Girlz, do **one choice** and **one reserve**.

Note - Finalised contributions and charges for 2026 will be published in Term 4.		Reserve Choice is: 1. 2.

High cost electives selected as a first choice require a **50% deposit** with this selection sheet to ensure a place in selected high charge (*HC) choices. I understand that some courses may not run if enough students have not selected them. This amount will be credited towards next year's charges.

Full payment or arrangements for payments should be made by Week 6, Term 1 2026. Students may be placed in a lower cost option if charges for high cost options are not paid. Students selecting a high cost charge elective as a reserve will not be placed into this elective until a 50% deposit is paid. Parents will be notified before this occurs if the student has not been successful in obtaining their first choice.

Elective Courses with High Charges that require a 50% Deposit

- 1) Tick the high cost electives you have selected on the opposite page. Circle the 50% deposit amount charge.
- 2) Add up 50% deposit amounts you have circled. Write the total amount in the Total Deposit required column at (A).
- 3) Add up the total Extra Charge Amount for the High Cost Extra Charge Electives. Write the total at (B)
- 4) Subtract (B) from (A) and write the outstanding balance for high cost electives at (C).
- 5) Tick the other extra charge electives selected, add up these amounts and write the total at (D).
- 6) Add (C) and (D) together. This is the outstanding balance owed for extra charge electives (E).
